

**Stanford University Notices for
SLAC Manual SLAC-R-730
and its included software
known as the EGS5 Code System**

Acknowledgement of sponsorship: This manual and its contents, including software, were produced in part by the Stanford Linear Accelerator Center (SLAC), Stanford University, under Contract DE-AC02-76SFO0515 with the U.S. Department of Energy.

Use: The manual and its included software should be used for non-commercial purposes only. Contact SLAC regarding commercial use.

Government disclaimer of liability: Neither the United States nor the United States Department of Energy, nor any of their employees, makes any warranty, express or implied, or assumes any legal liability or responsibility for the accuracy, completeness, or usefulness of any data, apparatus, product, or process disclosed, or represents that its use would not infringe privately owned rights.

Stanford disclaimer of liability: Stanford University makes no representations or warranties, express or implied, nor assumes any liability for the use of this manual or its contents, including software.

Maintenance of notices: In the interest of clarity regarding the origin and status of this SLAC manual and its included software, this and all the preceding Stanford University notices are to: (1) remain affixed to any copy or derivative of this manual or its software made or distributed by the recipient of this manual or its software; and (2) be affixed to any copy of a document or any software made or distributed by the recipient that contains a copy or derivative of this manual or its software.
